Short description

Intel® Core™ i7-4770K processor, Windows 8, NVIDIA® GeForce® GTX 680 DirectX®11 graphics, 3,000 GB hard drive capacity, 16 GB RAM memory, 128 GB SSD, MEDION® Data Port 3 – with USB 3.0, Hot-swap mobile rack, multi-standard DVD/CD burner

Long description

The ultimate gaming PC – get a tough one!
The MEDION® ERAZER® X5387 D raises your gaming experience to the next level. It will never run out of steam because the fourth-generation Intel® Core™ i7-4770K processor ensures that you receive high performance and speed just when you need it. You can receive maximum performance from the MEDION® ERAZER® X5387 D at the push of a button. The system can handle several processes simultaneously without any loss of performance thanks to the massive 16 GB DDR3 RAM memory. The integrated overclocking button on the front of the housing and the Intel® Extreme Tuning Utility Software make it possible for you to overclock the processor and memory to receive even more performance – at no risk to your system.

Enjoy the latest games and 3D applications with the fast and powerful NVIDIA® GeForce® GTX 680 DirectX®11 high-performance graphics. Experience maximum frame rates per second in the finest detail and immerse yourself in the latest 3D games. Maximum flexibility with almost endless memory capacity: The huge 3,000 GB hard drive provides space for storing large games, films, music and other files. The 128 GB Solid State Drive (SSD) ensures ultra-fast system and program startup. And if you want to take your latest high scores along with you to play with a friend, simply save the

MEDION® ERAZER® X5387 D

data conveniently onto a hard drive in the Hot-swap mobile rack – which you can swap conveniently and easily even during operation. The MEDION® Data Port 3 with USB 3.0 allows you to quickly transfer your video, audio and other files.*

The MEDION® ERAZER® X5387 D comes with a comprehensive software package. A keyboard and mouse are already included in the delivery. Allowing you to start gaming immediately!

Windows 8
Beautiful, fast and fluid
Windows 8 has been redeveloped to be all about you. Put what matters most right on your Start screen and get instant access to your people, apps, sites and more, so you can spend less time searching and more time doing.

Fourth-generation Intel® Core™ i7-4770K processor
(3.50 GHz, Intel® Turbo Boost technology 2.0, Intel® Hyper-Threading Technology, 8 MB Intel® Smart Cache)
Intelligent performance at the highest level.
Get yourself top performance for the most demanding applications! The fourth-generation Intel® Core™ i7 processor impresses with its integrated security features to deliver a higher level of protection.**

NVIDIA® GeForce® GTX 680 DirectX®11 graphics
with 2,048 MB GDDR5 RAM memory, digital HDMI® audio/video output, 1 x DVI-I, 1 x DVI-D and DisplayPort
Fascinating gaming graphics for memorable gaming and multimedia fun. Experience the world of graphics and multimedia in a whole new way!

16 GB 1,600 MHz DDR3 RAM memory
Thanks to cutting-edge, high-performance memory technology, you can run several processes and applications simultaneously without affecting the system performance

Huge 3 TB hard drive (3,000 GB)
You'll never have to worry about storage space again. Thanks to the huge 3,000 GB hard drive capacity, you will always have enough room for your films, pictures, music and other files. Enough for more than 600,000 music tracks or photos (at 4 MB per track/ picture)

128 GB SSD (Solid State Drive)
More reliable and faster storage. Quiet operation, approx. 3x faster boot-up and more system performance for your PC.

Hot-swap mobile rack
Swap your hard drives quickly and easily – even while the PC is running. Perfect for data backups, data exchange and alternative operating systems.
Hard drive capacity can be expanded with all standard internal 8.89 cm/3.5" hard disks.

MEDION® Data Port 3 – with USB 3.0*!

MEDION® ERAZER® X5387 D

The MEDION Data Port 3 for the super-speed HDDrive2go hard drive. Straightforward connection of the ultra-fast external HDDrive2go hard drive directly to your PC with no messy connection cables.
• Transfer data significantly quicker than with USB 2.0
• Compatible with the MEDION 6.35 cm / 2.5” and 8.89 cm / 3.5” USB 3.0 super-speed hard drives
(HDDrive2go super-speed hard drive not supplied as standard)

Intel® Extreme Tuning Utility (Intel® XTU)
Unlimited tuning with the Intel® Extreme Tuning Utility (Intel® XTU). The Intel® XTU enables you to overclock your CPU and memory to unlock the PC's optimum performance.

Multi-standard DVD/CD burner***
With DVD-RAM and dual layer support

**USB 3.0 connections are backwards compatible. For higher speed, however, you will require peripheral PC equipment which supports USB 3.0.*
***No computer offers complete security under all conditions. The use of the integrated security features in certain Intel® Core™ processors may require additional software, hardware, services or an Internet connection. The results may vary depending on the configuration. Contact the manufacturer of the PC to find out more details.*

Technical details

CPU: Intel® Core™ i7-4770K processor
Operating system (OEM version):

Windows 8
Clock Frequency: 3.5GHz
Memory size: 16GB
Total RAM slots: 4
Used RAM slots: 4
Hard disk capacity: 3TB
SSD Capacity: 128GB
Graphic:

NVIDIA® GeForce® GTX 680 DirectX®11 graphics
with 2048 MB GDDR5 RAM memory, digital HDMI® audio/video output, 1 x DVI-I, 1 x DVI-D and DisplayPort
Optical drives:

Multi-standard DVD/CD burner*
With DVD-RAM and dual layer support
Sound:

8-channel high-definition audio

MEDION® ERAZER® X5387 D

Miscellaneous:

1 Hot-swap mobile rack
MEDION® Data Port 3 – with USB 3.0**
9-in-1 multi-card reader for SD, SDHC, Mini SD, MMC, RSMMC, MS, MS Pro, MS Duo & MS Pro Duo memory cards (memory cards not supplied)

Connections

Connections:

Front:
1x USB 3.0***
1x USB 2.0
1 x microphone
1 x headphones

Rear:
2 x USB3.0***
6 x USB 2.0
1 x LAN

Audio:
1 x front line out
1 x rear speaker out
1 x rear speaker out
1 x centre / subwoofer out
1 x line in
1 x SPDIF optical output
LAN:

Gigabit LAN network controller (10/100/1,000 Mbit/s) on board

Software (OEM Versions)

Software:

Operating system: Windows 8
Microsoft Office 2013 preinstalled
A free 30-day test version of Office 2013 is preinstalled on this PC. Buy Microsoft Office to activate the full functionality of the Office software even after the test period.
